

Bulletin Board Policy

This policy is for application to the Lackawanna Public Library.

The Lackawanna Public Library (LPL) recognizes its role as a source of community information. It is the policy of the LPL that bulletin boards within the library are available for the posting of notices related to library business, library sponsored or partnered activities, and items of educational, cultural or civic interest to the Lackawanna community. Posting of notices does not indicate the LPL endorsement of the ideas, issues or events promoted by those notices.

1. Lackawanna Public Library bulletin boards are intended for items such as announcements of educational, social, cultural, or entertainment activities, fliers, brochures, or schedules sponsored by nonprofit organizations or government agencies relating to services provided to citizens, etc. Bulletin boards are not intended to be used as a forum for the expression of the views or opinions of individual groups.
2. Any notice to be considered for posting must be submitted to LPL management for approval. Only authorized LPL personnel may post or remove notices. Notices posted without authorization will be removed.
3. In fairness to the numerous community groups, the Lackawanna Public Library may limit the frequency and volume of posting notices from the same organization.
4. All notices posted on the LPL bulletin boards must contain the name and contact information of the sponsoring agency and/or its authorized representative.
5. Notice size (physical dimensions) may be restricted to maximize available space.
6. Notices will be removed when they are no longer timely or when space is required for more current items.
7. The Lackawanna Public Library assumes no responsibility for the preservation or protection of any materials delivered for posting. Materials will not be returned.

8. The following will not be accepted for posting:
 - Materials endorsing or opposing the election of any candidate for public office.
 - Materials endorsing or opposing the adoption of federal, state or local legislation.
 - Materials promoting commercial services or products.
9. Posting authorization is based on the provisions of this Policy and not on the content, viewpoints, beliefs or affiliations of the organization permitted to post notices.
10. Failure to comply with this Policy may result in the denial of posting privileges.
