Agenda Item E.2 – Budget and Finance Committee. Deputy Director – CFO Kenneth Stone reported the Budget and Finance Committee met on December 9, 2015 to review proposed Budget and Finance action items.

Agenda Item E.2.a – Adoption of 2016 Budget. Mr. Stone communicated the County Executive’s Budget, consistent with the Four Year Plan, recommended the same amount the Library had requested and the County’s Legislature made no changes. Ms. Panty moved for approval of Resolution 2015-45 and was seconded by Ms. Kelly. The 2016 Budget was adopted unanimously as presented.

RESOLUTION 2015-45

WHEREAS, on December 1st the Erie County Legislature finalized the County’s 2016 Budget allocation for the Library, and

WHEREAS, the County’s enacted budget provides a 2.0% increase in County funding from 2015’s \$23,013,857 to \$23,474,134, and

WHEREAS, since this increase is less than the anticipated 5.49% growth in the tax base, the Library portion of the average County Property Tax rate per \$1,000 of equalized full market value will decrease modestly, and

WHEREAS, this funding will allow the Library to maintain current service levels and open hours, and

WHEREAS, it allows the Library to meet its obligations under bargaining unit agreements which provide modest wage adjustments as well as employee contributions towards the cost of health care and provisions lowering the employer share of both active and retiree health care costs over the longer term, and

WHEREAS, it further helps fund the cost of New York State’s \$0.25 per hour minimum wage increase in 2016 which impacts the Library’s Page and Senior Page wage scales, and

WHEREAS, the Board of Trustees expresses its appreciation to the County Executive for recommending the funding and to the County Legislature in approving the recommended funding, and

WHEREAS, strong public support for the Library reinforces both the continuing need for basic library services; the nationally documented trend of active library use during tough economic times; and the continuing importance of the Library in bridging the “digital divide,” and

WHEREAS, the Board of Trustees of the Buffalo & Erie County Public Library wishes to gratefully acknowledge the support of the public, the Erie County Executive and the Erie County Legislature, now therefore be it

RESOLVED, that the Board of Trustees of the Buffalo & Erie County Public Library adopts the 2016 Budget, utilizing the following sources to provide library services in 2016:

\$23,474,134 – County Property Tax for Library Purposes
\$ 2,135,104 – New York State Aid – Operating Budget
\$ 714,843 – Use of Fund Balance
\$ 937,010 – Library Fines, Fees and Other Revenue
\$27,261,091 – Total Operating Budget

\$ 655,994 – Library Grants Budget

\$27,917,085 – Combined Operating and Grants Budget, further detailed in the *2016 Budget in Brief Charts* and the accompanying *2016 Budget Operating and Grants by Line Item* document, and be it finally

RESOLVED, that the budget documents and schedules be promptly posted on the Library's website and all needed forms and accounting entries to implement this budget be promptly completed and transmitted.

Trustee Berlow thanked Mr. Stone for his easy to understand charts and budget information.

Agenda Item E.2.b – Implement Contract Library Extensions. Mr. Stone explained Resolution 2015-46 extends 2015 contracting member library contracts into 2016 to allow time to finalize our budget and also the state aid budget which isn't finalized until approximately April. Ms. Kelly moved for approval. Ms. Vincent seconded. Approval was unanimous.

RESOLUTION 2015-46

WHEREAS, on June 18, 2015 the Board of Trustees of the Buffalo & Erie County Public Library adopted Resolution 2015-15 which authorized executing 2015 contracting member library contracts, and

WHEREAS, the resolution and the resulting 2015 contracts incorporated a provision to extend the 2015 contract into 2016 thus avoiding the November-December rush to extend contracts given recent years' recurring pattern of final budget allocations, particularly from New York State, being in flux at the normal contract adoption time, and

WHEREAS, budgetary allocations from Erie County and New York State to the

Buffalo & Erie County Public Library constitute over 90% of the financial resources supporting the contract with each contracting member library, and

WHEREAS, Erie County's 2015 budget allocation was not finalized until December 1, 2015 and New York State's allocation will not likely be finalized before April 2016, and

WHEREAS, this makes it difficult for the Buffalo & Erie County Public Library and the contracting member libraries to develop, consider and approve a full contract prior to the beginning of the 2016 fiscal year on January 1, 2016, and

WHEREAS, the contract extension provision provides for allocations based upon the 2016 requested budget except that, should the local funds for library services be modified from those projected in the budget request, the allocation shall be based upon the modified estimate, and

WHEREAS, the extension provision will remain in effect until such time as a final 2016 contract is adopted, not to exceed July 31, 2016, and

WHEREAS, implementing the contract extension provision may be made by Board adopted resolution notifying contracting member libraries of said extension, now therefore be it

RESOLVED, that the Board of Trustees of the Buffalo & Erie County Public Library authorizes implementing the 2015 contract extension as described above, with budgetary amounts based upon the 2016 Board adopted budget and any subsequent modifications thereof, and be it further

RESOLVED, that the Library Director is authorized to transmit this resolution to each contracting library.

Agenda Item E.2.c - Unanticipated Expenditure Assistance - Amherst Public Library. Mr. Stone conveyed this resolution offers assistance to address payouts and costs of 2 long-term employees who are retiring prior to the end of the year. The B&ECPL has sufficient savings in the personnel and utility budget accounts to offset this cost. Ms. Horton moved for approval and was seconded by Ms. Burd. Approval was unanimous.

RESOLUTION 2015-47

WHEREAS, the contract between the Buffalo & Erie County Public Library (B&ECPL) and contracting libraries, in section TWENTY SECOND, provides a process for requesting assistance in the event of "unforeseeable circumstances" that "result in a material impact on the 'Public Library's' operating budget", and

WHEREAS, the Amherst Public Library Board of Trustees has requested assistance to cover the unanticipated cost of retirement related payout costs for two long-term employees, and

WHEREAS, B&ECPL staff worked with Amherst Public Library staff to identify the best method to address this situation, including an analysis of projected personnel costs for the balance of the year, and this review resulted in a recommendation to request assistance in the amount not to exceed \$27,776, and

WHEREAS, without this assistance the Amherst Public Library Board of Trustees has found that having to reduce staff hours to address the unanticipated retiree payout expense, as would otherwise have been required to address these costs, would result in inadequate staffing needed to provide committed programming associated with operating the library for the weekly hours of service stipulated in contract Exhibit C, and

WHEREAS, sufficient monies are available within the 2015 B&ECPL operating budget to accommodate this request, and

WHEREAS, pursuant to section EIGHTH of the contract, this change may be implemented by resolution and transmitting a revised Exhibit A to reflect same, now therefore be it

RESOLVED that the Board of Trustees of the Buffalo & Erie County Public Library approves a reallocation within the 2015 B&ECPL operating budget to utilize savings in salary and wage and/or utility accounts to provide up to \$27,776 in salary/wage/fringe benefit funding assistance to the Amherst Public Library, and be it further

RESOLVED, that a copy of this resolution and a revised Exhibit A be transmitted to the above contracting library.

Agenda Item E.2.d - Unanticipated Expenditure Assistance - Lancaster Public Library. Mr. Stone explained this resolution offers assistance to address the retirement of 1 long-term maintenance employee. On motion by Ms. Panty and a second by Ms. Berens Bucki, approval was unanimous.

RESOLUTION 2015-48

WHEREAS, the contract between the Buffalo & Erie County Public Library (B&ECPL) and contracting libraries, in section TWENTY SECOND, provides a process for requesting assistance in the event of "unforeseeable circumstances" that "result in a material impact on the 'Public Library's' operating budget", and

WHEREAS, the Lancaster Public Library Board of Trustees has requested assistance to cover the unanticipated cost of retirement related payout costs for a long-term employee, and

WHEREAS, B&ECPL staff worked with Lancaster Public Library staff to identify the best method to address this situation, including an analysis of projected personnel costs for the balance of the year, and this review resulted in a recommendation to request assistance in the amount not to exceed \$6,771, and

WHEREAS, without this assistance the Lancaster Public Library Board of Trustees has found that having to reduce staff hours to address the unanticipated retiree payout expense, as would otherwise have been required to address these costs, would result in inadequate staffing needed to provide committed programming associated with operating the library for the weekly hours of service stipulated in contract Exhibit C, and

WHEREAS, sufficient monies are available within the 2015 B&ECPL operating budget to accommodate this request, and

WHEREAS, pursuant to section EIGHTH of the contract, this change may be implemented by resolution and transmitting a revised Exhibit A to reflect same, now therefore be it

RESOLVED that the Board of Trustees of the Buffalo & Erie County Public Library approves a reallocation within the 2015 B&ECPL operating budget to utilize savings in salary and wage and/or utility accounts to provide up to \$6,771 in salary/wage/fringe benefit funding assistance to the Lancaster Public Library, and be it further

RESOLVED, that a copy of this resolution and a revised Exhibit A be transmitted to the above contracting library.

Agenda Item E.2.e – Monthly Financial Report. The monthly financial report for the period ending October 31, 2015 was included in the board packet as an information item. Mr. Stone added the Library is running within budget; while the retiree health insurance expense is over, it has been offset by turnover savings in other accounts.

Agenda Item E.3 – Policy Committee. Policy Committee Chair Elaine Panty reported the Committee met at 3:38 p.m. prior to the Board meeting. Present were Trustees Panty, Bedenko, Berens Bucki and Horton as well as Director Mary Jean Jakubowski. The Committee reviewed the proposed draft amended Internet Safety and Acceptable Use Policy included in the board packet. Following review, the Committee suggested the following 3 additional changes: Item I.3, correct “B&ECPL” to include a missing “P”, Item I.7, change the word insure to ensure; and Item I.8 remove the wording “so-called”. The Committee unanimously recommended the revised proposed draft

amended Internet Safety and Acceptable Use Policy for approval by the full Board. The Policy Committee adjourned at approximately 3:45 p.m. on motion by Trustee Horton and seconded by Trustee Bedenko. The revised proposed draft amended Internet Safety and Acceptable Use Policy which included the Committee's 3 recommended changes was distributed to trustees.

Agenda Item E.3.a – Amend Internet Safety and Acceptable Use Policy. Following discussion, Ms. Panty moved for approval, Ms. Horton seconded, and approval of the revised amended Internet Safety and Acceptable Use Policy, which included the Policy Committee's 3 recommended changes detailed in Agenda Item E.3, was approved unanimously.

RESOLUTION 2015-49

WHEREAS, the Buffalo & Erie County Public Library's (B&ECPL) Board of Trustees adopted an Internet Safety and Acceptable Use Policy on June 20, 2002 to govern Internet access and public computer use at all libraries of the Buffalo & Erie County Public Library System. The Policy has been reviewed and amended periodically, most recently on May 21, 2015, and

WHEREAS, B&ECPL's general counsel has recommended the inclusion of language regarding the Library being a limited public forum under the First Amendment of the United States Constitution along with time, place and manner restrictions with regard to the public display of content, and

WHEREAS, the Policy Committee recommends the attached draft amended Internet Safety and Acceptable Use Policy for approval by the full Board, now therefore be it

RESOLVED, that the Board of Trustees of the Buffalo & Erie County Public Library adopts the proposed revisions of the Buffalo & Erie County Public Library's Internet Safety and Acceptable Use Policy to supersede and replace the prevailing policy, last amended May 21, 2015, and it be distributed to all Buffalo & Erie County Public Libraries, Contracting Libraries and Contracting Library Trustees.

Agenda Item F – Report of the Director. Director Jakubowski acknowledged and thanked the family of Sharon Thomas, Trustee Emeritus Posthumous, for providing the homemade treats at the Board meeting.

Together with Trustee Elaine Panty, Director Jakubowski met with Buffalo Common Council member Joseph Golombek, Jr. this week to discuss the North Park Branch Library. In the coming weeks, they will be meeting with Buffalo Common Council member Joel P. Feroleto to continue this conversation and keep the doorway open in finding a permanent home for the North Park Branch Library. She reminded trustees

that Chair Johnson sent a letter to Mayor Byron Brown indicating the need to keep communications open and plan for the future. She will keep trustees updated.

Ms. Jakubowski drew attention to the *Handbook for Library Trustees of New York State*, 2015 Edition, that was at each trustee's place. These were also distributed to Contracting Member Library Trustees and Directors at the December 5th ACT meeting where Jerry Nichols, Palmer School of Library and Information Science, Long Island University, presented. She noted the ACT meeting was well attended.

On December 16th, the Central Library had approximately 300 students visit from the Williamsville Schools. Director Jakubowski thanked staff for the tremendous effort put forth providing tours of the Library's exhibits and Launch Pad. In addition, 40 students from the Lancaster Schools visited the Central Library earlier during the day. Word is out about the many various activities going on at the downtown library!

Ms. Jakubowski updated trustees on 2015 Library fundraising efforts: just over \$46,000 has been received to date for the Bucks for Books campaign; \$2,930 was received for Giving Tuesday, a one-day event held December 1st; just over \$2,300 (57 prints sold) has been brought in from the Library's Online Store; and just under \$37,000 was received to date for the Year-end Appeal sent out in late November.

Trustee Panty inquired if any City schools have participated in the Milestones of Science (MOS) exhibit tours pointing out City Schools may have transportation issues. She questioned if there was someone the Library can talk with regarding arrangements. Ms. Jakubowski stated the Library will work on continuing to get City School students here. Assistant Deputy Director Dawn Peters updated trustees that the Library sent out communications to approximately 2,300 educators, publicized the MOS exhibit, and has reached out to the Library's partners and connections within the Buffalo School System - pushing this exhibit. She added, one thing discovered from the educational advisory committee is that many schools need at least a year's advance notice to schedule visits/fieldtrips. Ms. Jakubowski conveyed over 7,000 visitors have been in to see the Milestones of Science exhibit since its soft opening on October 4, 2015.

As discussed at a previous Executive Committee meeting, Trustee Berlow inquired if we keep track of walk-ins for the MOS exhibit, separate from scheduled groups. Director Jakubowski remarked the Library has a visitors log in the MOS exhibit space and she will have statistics gathered.

The following was submitted by the Director and transmitted to Board members prior to the meeting:

4. Funding/Fundraising

Funding:

- The Buffalo & Erie County Public Library presented before the Finance & Management/Budget Committee of the Erie County Legislature, Tuesday, November 10th. This writer, B&ECPL System Board Chair Ted Johnson, and Chief Financial Officer **Ken Stone** provided testimony. The testimony can be found on the Library's webpage: [2016 Budget Presentation](http://www.buffalolib.org/content/budget-information/2016-budget) (<http://www.buffalolib.org/content/budget-information/2016-budget>).

Subsequent to the Budget Hearing, the Erie County Legislature on December 1st unanimously adopted a 2016 County budget with amendments. The Legislature approved amendments totaling \$1.5 million (0.09% of the total budget). The Legislature made no changes to the County Executive's 2016 proposed budget for the Library.

The 2016 Operating and Grants Budget sustains library operations and services at current levels. Further, it incorporates the impacts of contractually obligated costs related to current labor agreements and benefits. Those agreements provide for modest wage adjustments as well as employee contributions towards the cost of health care and provisions limiting the employer share of both active and retiree health care costs over the longer term. The Library's overall operating budget, including State Aid and library revenue, increases 2.0% from 2015's \$26,718,710 to \$27,261,091 in 2016. Including grants, the combined total increases 2.1% from 2015's \$27,338,621 to \$27,917,085 in 2016.

While not part of the Library’s operating budget, \$500,000 in Erie County Capital funds will support improvements to the County owned downtown Central Library. The approved capital allocation provides \$250,000 to address mechanical, electrical and plumbing rehabilitation needs and \$250,000 for Life Safety System improvements – primarily upgrading the fire alarm systems.

RESOLUTION 2015-50

WHEREAS, in October, 1993, the Library entered into a legal services agreement with Patrick E. Martin, Esq., on behalf of Kennedy, Stoeckl & Martin, P.C., to provide all legal services necessary to the regular operation of the Buffalo & Erie County Public Library, and

WHEREAS, these services are provided under a retainer fee with a provision to address litigation and extraordinary matters on an hourly basis, subject to prior approval, and

WHEREAS, Mr. Martin's depth of knowledge, institutional memory, and innovative approaches to resolving library legal issues have served the Library exceedingly well over the years, and

WHEREAS, Mr. Martin and his staff joined the firm of Jaeckle Fleischmann & Mugel, LLP effective May 1, 2014, and
