System-wide - Beginning February 2016, the Library offers two WiFi networks, including a new secure/encrypted network that patrons can select to use automatically through an easy one-time password based login. In addition to being secure, patrons can select to automatically connect to the new network, making connections easy whenever they are at a B&ECPL facility and allowing them to avoid data charges. For the purpose of this report, each device is now counted one time per day.

Bookmobile Services - Added to report as of 5/2016.
