

# Books For Kids

Over 3.1 million books and 29 years of service.

## 2024 fact sheet

### Mission:

To collect quality new children's books and distribute them to Western New York children in need – those who will benefit most from discovering the love of reading. A child who develops the love of books and reading gains a major foundation for success.

### 2024 campaign goals:

The 2024 BOOKS FOR KIDS campaign seeks to collect 50,000 new books by September 22, 2024.

### History:

BOOKS FOR KIDS has distributed over 3.1 million books to children in need since it was established in the Mid 1990's. In 2023, over 65,000 books were collected.

### Book donations:

Individuals, companies, groups and organizations may donate new books. Books should be suitable for use by infants and children up to 14 years of age. Donated books can be taken to any Wegmans store, any Buffalo & Erie County Public Library and The Buffalo News, located in the Larkin Exchange Building, 726 Exchange St. lobby, Tom's Restaurant, Amherst and all Paula's Donuts locations.

### Financial donations:

Financial contributions are used to buy new books, including Braille, multicultural and large-print books for children with special needs. The program's administrative costs are covered by The Buffalo News and Project Flight, assuring donors that every dollar donated is put toward buying books and supplies. Our goal this year is \$15,000.
