

Guidelines for Use

The **Empire Pass** permits unlimited vehicle access to most facilities operated by the New York State Office of Parks, Recreation, and Historic Preservation and the New York State Department of Environmental Conservation.

The **Empire Pass** does not guarantee parking when the park is at maximum capacity. Parking is available on a first-come, first-serve basis and does not allow for early entry prior to park hours. The **Empire Pass** allows entry of **one** vehicle when the card is presented at most New York State parks, Department Environmental Conservation forest preserves. This pass may not be used for entrance by multiple vehicles at one time. This pass does not guarantee free vehicle entry into the park when special events occur and are operated by other organizations.

The **Empire Pass** does not include a waiver of fees for camping, golf, museum or historic site admission, and other special activity fees are not included.

The **Empire Pass** must be presented upon entry to the facility. Without the pass, you will be required to pay the vehicle entry fee.
