

# “Bored?”

## Games Group!

Autumn boring? Oh, no!  
You won't be when you come out to play in our games group.  
Bring friends, make new ones,  
enjoy light snacks  
and try your hand at a revolving group of board games  
from the library's Gaming Unplugged collection.  
Game selections change every two weeks.  
*Suitable for rising sixth graders and up.*
