Tuesday, October 8 @ 1:30 p.m. Should I Turn It Over to My Kids?

Explore effective strategies for preserving and transferring assets while understanding potential pitfalls.

Thursday, October 17 @ 1:30 p.m. History of the Buffalo & Erie County Public Library

B&ECPL began with the Young Men's Association, a subscription library founded in 1836 for intellectual improvement. In 1857, merchant Seth Grosvenor established a second non-circulating library. Join us to learn more about the history of Buffalo's public libraries and about some of the treasured items held in the Special Collections Department.

Thursday, October 24 @ 1:30 p.m. How Buffalo Gave Wings to the World

Not what you think! It's about how Buffalo became a vital center of the nation's fledgling aircraft industry – making key contributions to aviation, helping win two world wars, and creating important innovations over the years.

Tuesday, October 29 @ 1:30 p.m. Indian Boarding Schools

The history of boarding schools for Native American children as told through the story of the Thomas Indian School on the Cattaraugus Seneca Reservation and the children who attended it for more than 100 years.
