

As we close out 2024, it is time for our former director, Tom Carloni, to begin the next phase of his career as the Library Director of the Orchard Park Public Library. We wish him well in his new endeavor and look to keep the goodwill of the community that he has fostered. 2024 was an eventful year with plenty of programs for all ages to choose from—including University Express, Family Story Time, dance parties, craft nights, and the continued success of our Teen/Tween Book Boxes.

As the new library director, I would like to let the community know that providing quality educational programs to our patrons, as well as enhancing and updating our collections, will be my top priority. There will also be a renewed focus on outreach in the community. I have several years of experience in the library system and hope what I have learned will help Elma grow and prosper in 2025. I welcome input and suggestions and thank you all for supporting the Elma Public Library.

-Stephanie Molnar,
Library Director
