

POST YOUR SUMMER READING LIST!

Every year parents come into their local library looking for their kid's summer reading books only to find out their child lost the list! To help families get the books they need Buffalo & Erie County Public Library posts summer reading lists from area schools on its website, www.buffalolib.org. This allows quick access to school summer reading lists from all over Erie County.

If you would like your school's reading list to be included for the Summer of 2025, please send it electronically (in PDF format) to Chelsey Lonberger at Lonbergerc@buffalolib.org. PDF's must be searchable to ensure accessibility. A PDF is searchable if a reader can invoke Ctrl F, type a word in the search box and use it to find the word in the document.

Please use this naming convention when sending in your school's reading list: **SCHOOL NAME – GRADE – 2025.**

Some reading list titles may also be available in downloadable audiobook and eBook formats. Check the BECPL online catalog to see what is available. A valid Buffalo and Erie County Public Library card is needed to download and borrow materials. If a copy is checked out a patron may place a request for that title.

Visit your local library or check the Buffalo and Erie County Public Library website, www.buffalolib.org for upcoming fun and entertaining library events for you and your students.
